PSYCHE AND THE SPLIT-BRAIN (PAPERBACK)

University Press of America, United States, 1994. Paperback. Condition: New. New. Language: English . Brand New Book. This book begins with the question of the relationship between the unconscious and the two hemispheres of the brain, initially wondering whether the right hemisphere s processing of visual spatial patterns is the way the unconscious mind processes the archetypal images. To study the question in the larger framework of the relation between the way the two hemispheres of the brain process image...
