Words can heal. Words can start wars and end wars. Words can make a man smile and they can make him weep. Words can create and can destroy. Words are powerful, especially when used rightly in prayers. Jesus said words could move mountains if rightly used. The Bible teaches that life and death are in your words. So your words matter a lot. Your confession matters. God wants you to speak the right set of words so that He can change your life. But if you have anything to say, go ahead. I want to hear it, for I am anxious to see you justified. (Job 33:32) The devil is also carefully waiting to catch the wrong set of words in your mouth so that he can put you in bondage. You are snared by the words of your lips, you are caught by the speech of your out (Prov. 6:2) So you determine on whose side you fall by the kinds of words you speak. This is why you need to always confess positive things into your life with your own mouth when praying. This book is a collection of powerful words and prayer points with scriptural references that can change situation if confessed often. It will show you the power of prayers and positive confession.
