Change can be an uncomfortable and difficult process, but it is a process and it is inevitable. Some of us profess that change is difficult and we do not manage it well. Then again, some of us desire to change our circumstances, but do not know how to initiate change or we do not know where to start. It is easy to fall into patterns of unproductive behavior poverty, but this does not have to be our permanent condition. The Soul Journey of Change: The Path to Personal Freedom provides practical steps on how to make sustainable and manageable changes in our lives using Biblical references to help us initiate the change necessary for our personal professional growth, success and wealth-building. PMaddox is a professional Executive, Leadership Business Coach, who shares information that has assisted and supported her peers, colleagues, as well as, her national and international coaching clients through personal, cultural and organizational change in their lives for the past 31 years.
