Reviews

Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Sock Monkeys and You On Your Sockpendous Day, by Dee Lindner, is for little or big boys alike! When a single greeting card of celebration just won't do as a sole-felt sentiment for a birthday, promotion, graduation, retirement, or other special occasion, this cute collectible keepsake book is the answer! Who doesn't know of sock monkeys? America's red-heel sock monkeys, born from the folds of every day work socks from as early as the 1930s, have graced our lives for decades. They have heard our secrets for generations and have been recipients of our tears in times of happiness and sorrow, making them perfect to share in life's celebrations. The humor of our unique, flamboyant soft-sculptured friends-with their bright red grins, gangly limbs, and long tails-comes to life with sole-felt insights and endearing photographic images from the Sock Monkey Lady's portfolio. Each page, highlighting fun phrases with photographs of socktastic sock monkeys parodying life, sends a sentimental message-sock monkey style! The pages of Sock Monkeys and You On Your Sockpendous Day flow like one big greeting card without the envelope!.
