CHRISTIAN NATION: A NOVEL (HARDBACK)

WW Norton Co, United States, 2013. Hardback. Condition: New. Language: English . Brand New Book. So ends the first chapter of this brilliantly readable counterfactual novel, reminding us that America's Christian fundamentalists have been consistently clear about their vision for a Christian Nation and dead serious about acquiring the political power to achieve it. When President McCain dies and Sarah Palin becomes president, the reader, along with the nation, stumbles down a terrifyingly credible path toward theocracy, realizing too late that the Christian right meant precisely what it said. In the spirit of Philip Roth's *The Plot Against America*, one of America's foremost lawyers lays out in chilling detail what such a future might look like: constitutional protections dismantled; all aspects of life dominated by an authoritarian law called *The Blessing*, enforced by a totally integrated digital world known as the *Purity Web*. Readers will find themselves haunted by the questions the narrator struggles to answer in this fictional memoir: What happened, why did it happen, how could it have happened?.
