

## Darth Paper Strikes Back (Hardback)

By Tom Angleberger

Abrams, United States, 2011. Hardback. Book Condition: New. 206 x 137 mm. Language: English . Brand New Book. This is the hilarious, clever and much-anticipated follow-up to the breakout hit, The Strange Case of Origami Yoda . Tom is an exciting new voice in middle grade fiction. His spot-on portrayals of secondary school and the dynamics that exist between kids are realistic and humorous. He s definitely a rising author to watch. This is the fantastic book for boys and reluctant readers especially. Publishers Weekly said Tom s writing included spot-on boy banter, 100 Scope Notes called Yoda reluctant reader platinum, and Fuse No. 8 said, It s been a while since I found a book that can truly be called genderless (in that it has wide appeal across the board). Lucasfilm is enthusiastically back on board with us for the second book. It includes instructions for making your own original origami Darth Vader. Darth Vader is the most popular Star Wars character, their Mickey Mouse according to Lucas.
