From the author of My Secret Life: Confessions of a Housewife, suspenseful tales of couples who give a whole new meaning to the words extramarital affairs after the flames of passion fizzles out between them. People often say that there are four stages of marriage: the honeymoon phase, disillusionment, misery, and lastly, the awakening, which usually happens around the time of divorce when you realize your marriage isn't as great as you thought it was. In Extracurricular Activity, the honeymoon is officially over for Shanice, Carmyn, Londyn, and Joi, who have all come to terms with the fact that aren't living in wedded bliss. When love and romance is replaced with cheating, lies, manipulation, and deceit, divorce may be the least of their worries.
