

Step-Up to Geriatrics (Paperback)

By Mitchell S. King

Lippincott Williams and Wilkins, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Step-Up to Geriatrics provides a high-yield review of geriatric medicine for students taking a geriatric clerkship. Clinical pearls, clinical vignettes, full-color illustrations, and Quick Hits provide essential information in an efficient, easy-to-remember manner. Step-Up to Geriatrics delivers exactly what you need to know for exam prep and for practical use in the evaluation and treatment of older patients. Comprehensive yet succinct coverage includes general topics related to care of the elderly; common syndromes, issues, and medical conditions; and end-of-life issues. Quick Hits in the margins highlight highly testable topics. Clinical pearls and vignettes help you file away clinical connections for handy retrieval at test time, and aid in the transition from basic science to clinical medicine. A 100-question, clinically-oriented practice exam at the end of the book is an ideal self-assessment tool to prepare you for the questions you will be faced with in clinical practice. More than 100 full-color photographs and line drawings illustrate key concepts throughout. Easy-to-follow algorithms show examples of effective clinical reasoning. Numerous charts, tables, graphs, and mnemonics aid visual learners and facilitate easy retention of essential material. Bold terms point out key terminology for added...
