John Wiley and Sons Ltd, United States, 2000. Paperback. Condition: New. 1. Auflage. Language: English . Brand New Book. How Will Yahoo! Stay on Top in the Twenty-First Century? Sony? DuPont? Why Not Ask Their CEOs? Wisdom of the CEO introduces you to 29 visionaries who are actively changing today s business paradigm. These top global business leaders explain how they are confronting the eight key issues driving business today-Globalization, Growth, Shareholder Value, Innovation, E-Business, Disruptive Technology, Organization, and Knowledge Management-and give you valuable guidance for maintaining and strengthening your own company s market share. Listen to the voices of experience as they discuss hot-button issues including: The Internet-How will e-commerce change customer demands and expectations? K. Blake Darcy, CEO of online trading powerhouse DLJdirect, explains the new rules. Shareholder Value-Can a leader focus all of a company s strategic efforts on shareholder value? Sir Brian Pitman explains how managers throughout the Lloyds organization-acting as value-creation strategists-are helping him to do just that. Disruptive Technology-Can established companies exploit disruptive technologies as effectively as their start-up competitors? CEO Roger G. Ackerman reveals how Corning can-and does. PricewaterhouseCoopers is renowned for its commitment to helping world-class companies make better business decisions and hone their competitive strategies. With Wisdom of the CEO, Dauphinais, Means, and Price assemble an impressive, unprecedented gathering of today s leading business minds to discuss the trends that are propelling global business into the twenty-first century-and how they are positioning their companies to take full advantage of those trends.
