Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from *The True Temper of Empire: With Corollary Essays* After this Note had been passed for the press, the king-emperor's Proclamation at the Durbar, transferring the seat of government from Calcutta to Delhi, was published. It marks a stage of advance in the policy of strengthening the sovereign authority by the devolution of power to the constituent areas in all matters of local concern. It is a recognition that the supreme function of Imperial statesmanship is to convert the spirit of nationality, with its pride of national traditions, from a separating to a connecting force. Every essay in this volume is a vindication of the principle underlying the Proclamation. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
