

The Mad Potter: George E. Ohr, Eccentric Genius (Hardback)

By Jan Greenberg, Sandra Jordan

Roaring Brook Press, United States, 2013. Hardback. Condition: New. Language: English . Brand New Book. When George Ohr s trove of pottery was discovered in 1967, years after his death, his true genius was discovered with it. The world could finally see how unique this artist really was! Born in 1856 in Biloxi, Mississippi, George grew up to the sounds of the civil war and political unrest. When he was 22, his boyhood friend introduced him to the pottery wheel. The lost young man suddenly found his calling. When I found the potter s wheel I felt it all over like a duck in water. He started creating strangely crafted pots and vases, expressing his creativity and personality through the ceramic sculptures. Eventually he had thousands at his fingertips. He took them to fairs and art shows, but nobody was buying these odd figures from this bizarre man. Eventually he retired, but not without hiding hundreds of his ceramics. Jan Greenberg and Sandra Jordan, authors of the award winning Ballet for Martha, approach this colorful biography with a gentle and curious hand.

Reviews

This publication might be well worth a read through, and much better than other. It is amongst the most incredible book i actually have read through. I am delighted to tell you that here is the finest book i actually have read through inside my own life and could be he best ebook for possibly.

-- **Aracely Hickle**

The ideal ebook i actually study. It usually does not expense too much. You wont really feel monotony at at any time of your own time (that's what catalogs are for relating to should you request me).
