OPERATION: HAPPY MIND. (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Happy Mind is designed to support you in becoming a positive thinker and to move on from whatever might be holding you back from being the absolute best that you can be. It is a colorful presentation, and designed that way to make you smile, and help you begin to feel uplifted with positive energy. With positive thinking you will be in more of a happy and optimistic attitude after a tragic ordeal like what you may have gone through in your life, it is a perfect start to having a Happy Mind! Within this workbook you will find your happy mind, to support you in overcoming your present problems and begin your recovery process. This will provide the way to a happy mind and positive thinking, and work together with you so you can be the best you can possibly be! I created this workbook after recovering from homelessness and a severely dark depression I was facing, I became a Peer Support Specialist and used a lifetime of experiences good and bad to support others in similar situations as I faced. I put the same into this booklet to support you in what you re facing. It was originally for Veterans but lets face it, anyone can have P.T.S.D. and anyone can be suffering from trauma, or mental health conditions. I worked for a time, as a Director of a non-profit, to help families of Veteran s like myself that suffered from P.T.S.D. trauma, and mental health conditions.with long term solutions, and commitment to empower in living a healthy and fulfilling life post-wartime. It is my wish that it does the same for you.
