Palgrave Macmillan Trade. Hardcover. Condition: New. 240 pages. Dimensions: 9.3in. x 6.1in. x 1.0in. Your Daughters Healthy Identity Starts With You After psychoanalyst Joyce McFadden treated countless women who felt alone and isolated in experiences that they were unaware many other women were dealing with too, she began to ask what she could do to help them reach out to each other. The result was the launch of her Womens Realities Study in which she interviewed hundreds of women from ages 18-105, about the most private issues as she sought to understand what events in a womans life impact her future happiness and self-confidence. She found that in an attempt to protect and shield daughters, mothers withhold important information and leave girls to wrestle with their own burgeoning sexuality and other challenges of growing up. Offering a fresh perspective on the fraught mother-daughter relationship, McFadden shows how mothers can create the right environment for their daughters to grow into...
