Three Rivers Form an Ocean: .Vignettes of Life in Charleston, SC

By -

1st Book Library. Hardcover. Condition: New. 364 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. Writer James Funk turns the spotlight on Charleston, SC, and the city comes out as the hero. This historical non-fiction has all elements of a must read for anyone interested in the city's glorious 300-year history, like the city's 3 million annual tourists, or history buffs, or anyone just interested in life in the old South. It is an easy read, employing story-telling at its best, by weaving past with present in a refreshing, new and creative approach. It can be argued that Charleston has been the most influential city in America during early years of this country's history. Charleston has survived shelling of two great armies, and their occupation . . . first, by the British during the Revolution, and later by Federal forces during their siege and occupation in the Civil War. Fires, hurricanes, earthquakes, and deadly disease have also devastated the city. But, time and again, its citizens have rebuilt, until Charleston stands today as a national treasure. It is that strength of character and resiliency of its citizens that makes heroes of this story. History textbooks place more emphasis on events occurring in places like Philadelphia, Boston,...

Reviews

This book is great. it absolutely was written quite properly and beneficial. Its been written in an extremely basic way and it is merely after i finished reading through this ebook in which basically changed me, affect the way i really believe.
