Paperback. Book Condition: New. Paperback. 24 pages. While hosting a weekly chat for LSP Digital's stable of authors and various other writers, I handed out weekly assignments. Those assignments are now the, *Aspiring Writers Guide*. Destiny, coincidence, or luck what do you think it takes to become successful at selling a book or script in today's competitive world? The answer may differ depending on what book you have recently read or seminar you've attended. For the record, I'm neither a specialist nor a scholar! I am however, a career-minded woman who hasn't the time to wonder what I should do with my life after raising seven children with my husband of thirty years. And although I love being called Grammy by six wonderful grandchildren, I'm equally proud to be called an author, screenwriter, consultant, publisher and CEO of LSP Digital, LLC and President of Artistic Endeavors, LLC. With computers in almost every household across the US, there are hundreds of thousands of storytellers who believe they too have what it takes to become a number-one best-selling author or see their script produced for the big screen. The reality is that nearly all of these hopeful authors and screenplay writers will never see their work produced despite how prolific they are. Why? The answer is simple. As they have been doing the needed research and developing their unique storyline and memorable characters, and working for countless hours on re-writes and edits, the rules in promoting and selling the work have changed. To make matters worse, no emails were sent out, nor have there been any notices posted on billboards or full-page ads in the media announcing that publishers and studios rarely accept first-time authors and screenwriters. The words "unsolicited material" will become permanently etched in a writer's mind as their frustration mounts, wondering...
