CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 320 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Stiletto to Stetsons is a modern day true romance story with a twist. This is a fascinating and compelling true story that Janice has written about the path that her life took beginning on one cold January afternoon when she suddenly and unexpectedly became a widow. The story ends some seven years later by which time she was now living in Texas and was the wife of a cattle rancher. She describes the emotions and experience of being suddenly widowed with depth and passion. As her story evolves, she is able to give a British woman's take about life on a Texas cattle ranch, describing the funny, frightening and bewildering incidents that occurred to her. The story begins on the day that she came home to find her husband a local sporting celebrity, lying dead on the floor. It was a bizarre day and she describes the occurrences and emotions that surround that time and the ensuing days with sensitivity and realism. Within a few days, she had discovered devastating secrets about her husband and realised that she had been married to a man for many years, whom she did not really know at all. As the months went by, she pieced back together her shattered life and eventually felt that she was ready to start another relationship. Her encounters with would-be suitors proved to be fairly disastrous as it seemed that all the men who tried to enter her life either had nothing in common with her or had ulterior motives. Her best interests were certainly not at the top of their agendas. Thoroughly disheartened, she accepted the fact that now in her mid-fifties, she would most likely end...
