Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Of my childhood in this Olaf life I can regain but little. There come to me, however, recollections of a house, surrounded by a moat, situated in a great plain near to seas or inland lakes, on which plain stood mounds that I connected with the dead. What the dead were I did not quite understand, but I gathered that they were people who, having once walked about and been awake, now laid themselves down in a bed of earth and slept. I remember looking at a big mound which was said to cover a chief known as The Wanderer, whom Freydisa, the wise woman, my nurse, told me had lived hundreds or thousands of years before, and thinking that so much earth over him must make him very hot at nights.
