Reviews

This ebook is definitely not easy to get going on looking at but quite fun to learn. We have read and so i am sure that i will gonna study once more yet again later on. I am very happy to inform you that here is the finest publication i actually have read inside my personal daily life and might be he best publication for possibly.

Dark Regions Press, United States, 2014. Paperback. Book Condition: New. Erin Wells (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Quill and Candle is the second book in the Ghost House imprint and includes six interior illustrations by artist Erin Wells. In Quill and Candle Scott Thomas invites the reader back to an earlier, quieter time, when travelers relied on horses, when cooking was done over a hearth, and frost nights were illuminated by tapers. It was, perhaps, a more haunted time. Here you will find the corpse of a child which can foretell the future, and a stately Massachusetts house where the painting of a mourning gown haunts a bedchamber wall. Something terrible inhabits a wintry woodlot and something worse menaces a war-bound frigate. The seventeen stories within are steeped in autumn leaves, chilled in wintry wind and haunted by New England ghosts. That s no ordinary chill in the night air. It s the result of spooky tales told by the master. Scott Thomas continues to entertain with timeless stories of the macabre. - Jordan Rich, WBZ Radio Thomas stories creep under your skin, linger with you for days and follow into many deep, dark nights. - Fatally Yours Scott Thomas is an atmosphere wizard summoning up a semblance of time past in his evocation of the weird. He rises from the eerie evolution of Nathaniel Hawthorne, Edgar Allan Poe, Ambrose Bierce, Lafacadio Hearn, and H.P. Lovecraft, yet his poignant stories are astonishingly original.
