WHOLLY DEVOTED

Xulon Press, United States, 2013. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.Many impressive accolades are attributed to King Solomon. Exalted to a place of unparalleled peer, Solomon was a contributing author of Scripture, builder of the Temple in Jerusalem, ruler during the Golden Age in Israel, and he is also described as the wisest person to ever live. Wealth, honor, and fame were his, and no earthly desire was unattainable as he lived in luxury. In that reality, a downward spiral took place in the mind, heart, and life of this king, and his heart took a devastating turn from devoted to distracted, and finally divided. From the pinnacle to the pit, Solomon's steps are traced in this in-depth Bible study. Points of application are plentiful to prevent a similar fall from occurring in the life of the reader. The goal of this study is to understand how Scripture characterizes a devoted follower of Jesus Christ. Be prepared to be challenged not only in your current definition of worship, but also in your understanding of idolatry. Join Jennifer Brooks on this voyage through Scripture that looks beyond what eyes see and focuses on the plans, priorities, purposes, and motives of the heart. Jennifer Brooks is founder of Abundance In Him Ministries. She also authored the Bible studies *Embracing An Aching Heart: Addressing The Horrors Of Human Trafficking* and *Stand In Awe*. Truths of Scripture are communicated with passion and sincerity as Jennifer teaches from a heart in love with Jesus and a firsthand perspective of His life-changing power. With an unswerving conviction that the Word of God is living and active, personal application is emphasized in her teachings. She is married to her best friend, Joe,...
