All About Alzheimers Disease (All About Books)

By Laura Flynn M. B. A

MediScript Communications, Inc. Paperback. Condition: New. 48 pages. Dimensions: 8.5in. x 5.5in. x 0.1in. This book provides an overview of Alzheimers disease (AD) and can help to increase your understanding of how to provide quality care to a family member with the condition. If you work with older people, it is likely that you have already cared for someone with AD. If not, you may soon be assigned to care for a person with this disease as it is becoming very common in our society. This practical self-help guide contains useful case examples, interactive quizzes and self-assessment exercises. This book can be an invaluable aid to: - A caregiver caring for a relative or friend; - A health worker seeking a reference aid; - Any person involved in health care wishing to expand his or her knowledge -- About the publisher: Mediscript Communications was founded in 1996 by a management team of marketing executives, writers, nurse educators, psychologists and distribution companies to provide a unique and effective style of publications, empowering readers and patients, through interaction, personalization and subsequent relevance.
