iUniverse, United States, 2007. Paperback. Book Condition: New. 203 x 122 mm. Language: English . Brand New Book ***** Print on Demand *****.First time college students across the nation are often required to take the College Placement Test. F1rst Guide for the College Placement Test (CPT) is the much needed CPT guide and review for these students, answering broad and specific administrative test questions. This book helps students familiarize themselves with the CPT prior to being administered the test and offers students the option to review test format, skills, tips and the types of questions on the CPT. Students have several testing options when choosing to enter either a community college or 4-year college. The well known SAT(r) and ACT(r) are common entrance tests, but the CPT is often the test needed for placement. The CPT determines placement in college level courses like math, reading and writing. It is to the students advantage to perform as well and accurately as possible on the CPT thus ensuring proper class selection. This book is the best CPT tool available.
