Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Professor Piers Knight is the Brooklyn Museum s very own Indiana Jones. His specialties include lost civilizations, arcane cultures, and more than a little bit of the history of magic and mysticism. What his contemporaries don t know is that in addition to being a scholar of all these topics, he is also proficient in the uses of magical artifacts. Knight receives a chilling message from Tian Lu, a former lover and an agent for the Chinese government. Years ago, they made a frightening discovery at an archeological dig when out of the depths rose. a living, fire-breathing dragon. Now, the dragons are waking from their slumber before their scheduled time. And one particularly diabolical dragon is set on eliminating the others and taking over the world. As civilization plunges into panic, Knight, Lu, Knight s 17-year-old techie intern George Rainert, and an untrustworthy dragon ally must use all their resources--magical and otherwise--to stop the destruction before it s too late.
