Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

Comma Press, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. Featuring several authors hailing from cities on the edge --European port cities including Liverpool, Bremen, Gdansk, Istanbul, Marseilles, and Naples--this stirring collection of short stories explores these landscapes of change, from their social tensions, scars of war, and economic decline to their citizens attempts at regeneration and startling means to thriving and surviving. In Gdansk, a German exile returns to his childhood home in search of a valuable coin collection left behind during World War II. In Naples, a young woman desperate to escape the slums becomes a Camorra mole and eventually a political powerbroker. In Liverpool, a young Spanish soccer player arrives to fulfill his dream of playing in the Premiership, but in the backstreets of Anfield he meets a local resident with a very different perspective on the game. A look at the their shared history of dissent, diversity, and economic reinvention, this riveting compilation examines the tragedy of these cities once known as gateways to the world and as harbors of wealth and innovation.
