

Being the Change: How One Contemporary Person Initiated Extraordinary Positive Changes in the World by Following the Wisdom Teachings with Totality

By Klaus Heinemann, Gundi Heinemann

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Since the early 1970s the authors learned from, and worked with, a remarkable contemporary person who lived the last 7 decades of her life in impeccable congruence with the great wisdom teachings. With the single focus in life to be of service to the Most High, this person initiated a most remarkable set of educational and organizational efforts in the 1970s to 1990s that became a major contributor to the fall of the Iron Curtain. She enacted the vision of cooperation of the races, nations, and religions, with inspiring pageantry that involved many hundreds of volunteers to produce and was presented to tens of thousands of spectators. She advanced the vision of a world beyond war with the prestigious annual Beyond War Award, given in 1988 jointly to President Reagan and to Soviet Premier Gorbachev. The call for humanity to increase conscious consciousness was advanced by the personal integration of wisdom teachings on compassion and love. The book includes extensive quotes of this extraordinary teacher from interviews taken during the last few years of her life. Commentary and...
