

Fear and Fashion in the Cold War

By Jane Pavitt

V & A Publishing. Paperback. Book Condition: new. BRAND NEW, Fear and Fashion in the Cold War, Jane Pavitt, This book explores Cold War fashion in all its aspects, ranging from innovations in materials to the cybernetic visions of the 1960s, from the bikini to the spacesuit, vinyl radiation suits to high-tech jewellery, Paco Rabanne to Barbarella. Set in the context of art, film, science and design, Pavitt explores how the image of the body was shaped by Cold War concerns - atomic anxieties, the space race, technological developments and the first forays into 'hyper-reality.' With a stunning selection of images alongside military, political and scientific research, the book shows how counter-cultural theories and experiences in the later 1960s shaped an alternative view of the 'Cold War Body'.

Reviews

Completely essential go through ebook. It can be written in basic phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Jessy Collier**

This is basically the finest publication I actually have gone through till now. We have read and I also am confident that I am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
