By Carlton a Pinney

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. This book is written for the average home owner, or building owner in general, who s place needs fixing, or upgrading, or remodeling, or anything else for that matter, and just doesn t feel comfortable cold calling some stranger who says they are a contractor and asking them to come over and start ripping into their place. This is a cookbook that will allow you to keep the whole process under control and best of all.simple! I will show you how to figure out what it is you want to do on your building, how to present it clearly in writing, and then, as a result, enjoy the immense benefits of a process called competitive bidding. It s simple.engineers and architects have developed a system over the years that is based on written specifications leading to competitive bidding leading to the job getting done in as simple a way as possible. It works really well. A basic understanding of that system is what I am bringing to the layman homeowner here. Once you know the system you will be...
