His life is changed forever and he faces all kind of vicissitudes as a quadriplegic. Miguel s life is a triumphal story of rehabilitation, but not before he has to suffer the trials associated with his disability all over again at the age of 52 due to complications of a second neck surgery. Lightning Strikes Twice is about finding a reason to live and fight again after losing everything. In Miguel s case, this includes his health, job, house and wife. Since he has no one to care for him, he eventually ends up in a nursing home. During this time, recalling scriptures taught to him by his godly mother, he finds strength to carry on when there is seemingly no hope. With a Master s in Psychology and too young to be in a nursing home, he fights the system and becomes an advocate for those who cannot speak for themselves.
