Excerpt: . rilhese essays had a very practical- and a very purposeful origin. They grew out of the necessities and activities of a large business. Their beginnings were usually, or at least often, a sentence or a paragraph in a business letter intended to give direction to effort or suggestion to thought; to give encouragement by pointing the way; to arouse hope by giving it a basis; to help by showing how to help one s self. Progress is the process of creating, training and developing the instruments of progress. Every work, great or small, must create both the means and the instruments by which it can be accomplished. We can see this plainly in such great undertakings as the construction of the Panama Canal. But it is not less true, though not so strikingly obvious, in all other enterprises and undertakings, whether they be...
