Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Land of Oz: Being an Account of the Further Adventures of the Scarecrow and Tin Woodman; A Sequel to the Wizard of Oz After the publication of The Wonderful Wizard of Oz I began to receive letters from children, telling me of their pleasure in reading the story and asking me to write something more about the Scarecrow and the Tin Woodman. At first I considered these little letters, frank and earnest though they were, in the light of pretty compliments; but the letters continued to come during succeeding months, and even years. Finally I promised one little girl, who made a long journey to see me and prefer her request, - and she is a Dorothy, by the way - that when a thousand little girls had written me a thousand little letters asking for another story of the Scarecrow and the Tin Woodman, I would write the book. Either little Dorothy was a fairy in disguise, and waved her magic wand, or the success of the stage production of The Wizard of Oz made new friends for the story. For the thousand letters reached their destination long since - and many more followed them. And now, although pleading guilty to a long delay, I have kept my promise in this book.
