Brand New Book. *Going Down to Morocco* (Bajarse al moro), is one of the most emblematic and best known theatrical work of recent times in Spain. It both contributed to and documented La Movida, a drug-fuelled youth movement that placed Madrid firmly on the global cultural map in the early 1980s. Alonso de Santos play, a commercial and critical success when first staged in 1985, was made into a film starring Antonio Banderas in 1989. Chusa, a free-spirited and spontaneously generous young drug smuggler introduces Elena, a middle-class runaway, to the apartment she shares with her cousin Jaimito and her boyfriend Alberto, a rookie policeman. The result is chaos in their previously disorderly but happy life. The comedy explores opposing lifestyles of young people in 1980s Spain, during a period of radical social change. It is characterized by humor, creative use of contemporary slang, and intertextual film references. Duncan Wheeler s translation of the original play marks with footnotes the changes made in the new version done in 2008 for a high-profile revival to celebrate its twenty-fifth anniversary. This edition also includes an unpublished interview conducted by Duncan Wheeler with Alonso de Santos in 2010.
