Reviews

An exceptional ebook and the font employed was fascinating to read through. I actually have study and so i am certain that i will likely to read once again yet again in the future. Your life period is going to be change as soon as you complete looking at this book.

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. De nouveaux memoires d Horace Walpole, publies a Londres, doivent fixer l attention, surtout si on les rapproche de quelques publications recentes qui ont trait a la meme epoque et qui renferment de curieux documents. La vie d Horace Walpole, vie oisive, que tout le monde connait, ne merite guere d etre rappee. Il naquit en 1712, du mariage contracte entre un gentilhomme campagnard, membre du parlement, et la petite-fille d un lord-maire nomme Shorter; eleve a Eton pendant que son pere montait peniblement les degres de la vie politique, il fit son tour d Europe comme tout bon gentilhomme anglais, et revint assister comme spectateur ironique et attentif, sans vouloir jamais s y meler activement, au drame de la chambre des communes. Cette attitude d observation dura jusqu a sa mort, survenue en 1787, et lui obit une existence calme et detestee. Personne n a ete plus decrie de son vivant, plus vivement attaque par ses ennemis, plus mal defendu par ses amis: on ne pouvait souffrir son impertinence froide et son ricanement perpetuel.
