At stake? Innocence and possibly the lives of every living soul. Where is this battle being fought? In some far-away land? No. On another planet perhaps? No. You see, there is a realm we are part of when we are at the age of innocence, a place where fairies dance and play all day with the children, and peace, love and happiness is the only way of life. Where could this world be? Dream World. But now evil has escaped the nightmare realm and is threatening to take over Dream World and destroy all innocence. If that happens, Dragon Lord will have the power to escape into the real world, and that would destroy everything as we know it. There is only one man that can save us from Dragon Lord, and that is the Champion of Dream World.
