CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 376 pages. Dimensions: 8.0in. x 5.2in. x 1.1in. The year is 2005. The Congress has just approved the war in Iraq and many New Yorkers are fed up with the American dream and thinking of fleeing the country. Kitty Roman is one of them. She is disenchanted with the superficiality of the news industry in which she works, and with her many affairs, which always elude real love. She packs to return to her native Europe, yet, a last minute chance encounter with an eccentric, overly optimistic artist, Desert Rose makes her embark impulsively on the trip of her lifetime -- to the West Coast. This offbeat accidental odd couple takes us on a fascinating and sometimes hilarious journey through the heart of the American Dream, from New York, filled with intellectual and artistic elites, to glamorous Los Angeles with its complicated movie moguls and bohemian art community. Funny, touching, full of surprises and intense stirrings of passion. A gripping page turner in which self-irony and lucidity blend wonderfully with lyrical interludes, Dream Junkies offers the reader a bittersweet view of the American Dream and an uplifting coming of age story of spiritual revival. This item ships from La Vergne, TN. Paperback.
