

## A Tractate on Japanese Aesthetics

By Donald Richie

Stone Bridge Press. Paperback. Book Condition: new. BRAND NEW, A Tractate on Japanese Aesthetics, Donald Richie, This provocative book is a tractate-a treatise-on beauty in Japanese art, written in the manner of a zuihitsu, a free-ranging assortment of ideas that "follow the brush" wherever it leads. Donald Richie looks at how perceptual values in Japan were drawn from raw nature and then modified by elegant expressions of class and taste. He explains aesthetic concepts like wabi, sabi, aware, and yugen, and ponders their relevance in art and cinema today. Donald Richie is the foremost explorer of Japanese culture in English, and this work is the culmination of sixty years of observing and writing from his home in Tokyo.
