The Awakening and Selected Short Stories by Kate Chopin - Complete New Edition This Brand New Complete Edition includes the following: The Awakening - Beyond the Bayou - Maame Pelagie - Desirees Baby - A Respectable Woman - The Kiss - A Pair of Silk Stockings - The Locket - A Reflection. The Awakening, originally titled A Solitary Soul, is a novel by Kate Chopin, first published in 1899. Set in New Orleans and the Southern Louisiana coast at the end of the nineteenth century, the plot centers on Edna Pontellier and her struggle to reconcile her increasingly unorthodox views on femininity and motherhood with the prevailing social attitudes of the turn-of-the-century South. It is one of the earliest American novels that focuses on womens issues without condescension. It is also widely seen as a landmark work of early feminism, generating mixed reaction from contemporary readers and criticism. The novels blend of realistic narrative, incisive social commentary, and psychological complexity makes The Awakening a precursor of American modernist literature; it prefigures the works of American novelists such as William Faulkner and Ernest Hemingway and echoes the works of contemporaries such as Edith Wharton and Henry James. It can also be considered among the first Southern works in a tradition that would culminate with the modern masterpieces of Faulkner, Flannery OConnor, Eudora Welty, Katherine Anne Porter, and Tennessee Williams. This item ships from La Vergne, TN. Paperback.
