Penguin Putnam Inc, United States, 2003. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Inspired by the beloved artistic vision of world-renowned landscape painter Thomas Kinkade--and imbued with the light of his uplifting message--this heartwarming new novel introduces us to the quaint town of Cape Light, and the unique residents who call it home. Nestled in New England is the picturesque seaside hamlet of Cape Light, where everyone knows everyone, and folks still care about one another. But Cape Lighters have their share of hidden dreams, desires, and doubts, too. Like Mayor Emily Warwick, who sometimes feels that her job and her identity are inseparable, and her sister and rival, Jessica, who has torn herself away from the big city's excitement and sophistication to come home and care for their ailing mother. Or Reverend Ben, who counsels and consoles an entire town while coming to grips with his own private sorrows, and Charlie, the owner of the local diner, who isn't shy about letting the mayor know that he is after her job. They are friends and neighbors, doers and dreamers. They laugh and love and build their lives together in the town of Cape Light--and they will work their way into your heart.
