

What I Did in Cuba (Paperback)

By Paul Myers

Lulu.com, United Kingdom, 2008. Paperback. Condition: New. 2nd. Language: English . Brand New Book ***** Print on Demand *****.From landing in Havana, hoofing it all the way down to Trinidad and back in a rented Mexican built Nissan (with special insurance on the tyres in case they get stolen by raft builders), the author vividly describes his hellish time in the Caribbean s biggest island nation during Fidel Castro s Special Period . Compared to Bill Bryson, this is a travel tale of three weeks in the Sunshine Socialist State where extortion, confrontation, dolphins, kidnapping, appalling food and a chance meeting with The Leader became a story worth telling. And all the author really wanted at the time was a nice quiet, boring beach holiday. Surely this holiday is just off to a bad start. It couldn t get worse, could it? No really, could it? 2nd EDITION, REVISED FEBRUARY 2008 - MORE PAGES, MORE FUN!.

Reviews

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
