Transitions: American Values in the Post-Cold War World (Paperback)

By MR Ted Weihe

Model Boats from Around the World, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This memoir is about transitions. At the end of the Cold War, the United States tried to export its vision of free markets and democracy. There was euphoria as we thought we would usher in a new world order consistent with U.S. values. I was present at the beginning of these transformations: Albania, Bosnia, Bulgaria, Chile, El Salvador, Estonia, Georgia, Montenegro, Philippines, Poland, Romania, Russia, South Sudan and Ukraine. It was a magic time with much hope and new opportunities. Globalization, reintegration with Western markets and dissolution of state companies fueled private sector entrepreneurship. Democratic reformers toppled dictatorships. They mobilized people's movements through Internet and social media. In each country, family-owned companies and nascent cooperatives emerged to compete with failing state enterprises and collective farms. Successful economic development projects were premised on people-to-people assistance by Americans who held deep beliefs in democracy and lifelong experiences in running successful businesses and farms. Newly democratic countries faced daunting challenges in the transition to market economics with displaced state workers, weak political institutions, rapid privatization and dismantling of state companies and farm...
