Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Challenging conventional analyses that depict contemporary Egypt as a battle between Islamists and secular forces, *The Egyptians* illuminates other far more important fault lines: the far-flung communities waging war against transnational corporations, the men and women fighting to subvert long-established gender norms, the workers dramatically seizing control of their own factories, and the cultural producers (novelists, graffiti artists and illicit bedroom DJs) appropriating public space in defiance of their repressive and increasingly violent Western-backed regime. Situating the Egyptian revolution in its proper context - not as an isolated event but as an ongoing popular struggle against a certain model of state authority and economic exclusion that is replicated in different forms around the world - *The Egyptians* explains why the events of the past five years have proved so threatening to elites both inside Egypt and abroad. As Egypt's rulers seek to eliminate all forms of dissent, seeded within the rebellious politics of Egypt's young generation are big ideas about democracy,...
