Descartes: Choix de Textes Avec Etude Du Systeme Philosophique Et Notices Biographique Et Bibliographique (Classic Reprint) (Paperback)

By Rene Descartes

Forgotten Books, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Excerpt from Descartes: Choix de Textes Avec Etude du Systeme Philosophique Et Notices Biographique Et Bibliographique Ainsi loin d etre un anachronisme, l attitude d un Desear tes, fondant intimement la metaphysique et la science dans l harmonie de sa pensee, etait plutot l attitude d un grand precurseur. Il y et continuee des meditations sur l ame a la physiologie des passions, de la theorie de la certitude a la theorie idealiste et geometrique de la matiere. Par le sens vivif qu il gardait toujours de la realite, Descartes metaphysicien acheminait la pensee francaise vers ce qu un brillant phila sophe d aujourd hui appelle la metaphysique positive en meme temps qu il imposait a la science experimentale d un Bacon la confiance en l idee, sans laquelle la science ne serait qu une inutile et fastidieuse compilation.
