HarperCollins Publishers, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. Recent graduate Ellie has debt, an unpaid internship and three flatmates who left her with the single room to match her single status. That's ok. She doesn't want a boyfriend anyway. She wants several. But as Ellie tests out every new dating craze she's realising that the ultimate single lifestyle might not be that easy after all. If the women on Sex and the City got dates on a daily basis, and even the more normal-looking girls on Girls, then why wasn't I? If I wanted to live the fun, twenty-something life I was destined to live, I was going to have to up my game.
