Brand New Book ***** Print on Demand *****.In the twenty-fourth century, humans possess the power to levitate objects by sheer will alone. Is such a power a testament to humanity's evolutionary dominance or the return of a spiritual blessing lost long ago? In a world ruled by science and technology, such a question has only one acceptable answer. But for Lawson Steele, the most powerful psi-agent on the force, he must find his own answer to Where Truth Lies—in the mind or in the heart; in science or in faith. When a fellow agent is ruthlessly killed in the line of duty, Lawson embarks on a quest to Jupiter's only colonized moon to find the true killer. Lawson soon realizes that his adversary wields unimaginable power and to succeed in his vendetta, he must rely on something long extinct from the public eye—faith in an invisible God. With his faith in the balance, will Lawson find his soul's redemption or an even more sinister conspiracy brewing Where Truth Lies?.
