MY THINKING CAP

Groundbreaking Press. Paperback. Book Condition: New. Paperback. 248 pages. Dimensions: 8.5in. x 5.5in. x 0.6in. Brad Fregger, futurist, businessman, author, professor, international speaker, publisher, father, grandfather, and soon to be great grandfather, shares his solutions for many of the worlds global crises. I havent seen many reasonable solutions coming from those in charge, its time the rest of us let them know what we think. The world my great grandchild will inherit depends on the decisions we make (or refuse to make) today. I feared the future, feared my childrens world, the outcome of the massive changes taking place in our country. My imagination runs wild with visions of the breakdown of society, millions dead and dying, cities empty and decaying, our way of life gone for centuries. The future like a steamroller rushes madly downhill no one at the controls. Doubt and fear of things to come still haunt me . As I move forward into the unknown, Hope beckons. Brad Fregger Is there hope Can we, as a society escape this pessimistic future and instead begin the century with hope and faith as we enter a new age of plenty, where the challenge of preserving our world and its ecology becomes a goal consistent with the survival of humanity and our way of life My Thinking Cap - Chapter 1 In the following chapters I will, at times, point an accusing finger at the media, because their fixation on bad news is creating a negative image of the future-in large part, the global crises we are experiencing are due to the stories being told. My Thinking Cap - Chapter 2 So, how do we become energy independent, . . . while minimizing pollution, especially carbon-based pollution, and creating an environment where individual choice is a commitment, business can thrive,...
