Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Observer, 1791-1921: A Short Record of One Hundred and Thirty Years HE world into which the observer was born in the year 1791 was, like our own, a little uncertain of its bearings and prospects. Only two years earlier the short Peace had been broken by the fall of the Bastille. Events in France had pursued a course of which the landmarks were becoming very ominous. There were still men who could look back to a time when the Hanoverian Kings had not come to England. Bonnie Prince Charlie was but three years in the grave his brother was to live on in Rome for sixteen years longer. It had been a great growth. Among those who philosophised upon the facts of government there was a notable balance of complacency. evolution or Revolution? The cliché of to-day expressed the hesitating mind of 1791 still looking upon events across the Channel in doubt whether their purport was to destroy or to A new Constitution had just been adopted for France. On the surface it might shape for that enlightened Freedom, decent Tolerance, and universal Benevolence to which the observer, in the best sentiment of its time, paid devotion in announcing itself to the public of London. True, the British acquirers of French democracy were becoming disturbingly fervent in their language, and the patriotic populace of Birmingham had just burned the late Dr. Priestley's house and library over his head. Arthur Young denounced the outrage, but the King, like the majority, condoned. But there was no hint yet of Revolutionary France bursting her borders or pitting herself in a death-grapple with this country. On the contrary,...
