FAILING AT SCHOOL: LESSONS FOR REDESIGNING URBAN HIGH SCHOOLS (PAPERBACK)

Teachers College Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. About half of all incoming ninth graders in urban districts will fail classes and drop out of school without a diploma. Failing at School starts with the premise that urban American high schools generate such widespread student failure not because of some fault of the students who attend them but because high schools were designed to stratify achievement and let only the top performers advance...

Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
