REQUIEM FOR NATURE (PAPERBACK)

Island Press, United States, 2004. Paperback. Condition: New. New edition. Language: English . Brand New Book. In Requiem for Nature, John Terborgh examines current conservation strategies and considers the shortcomings of parks and protected areas both from ecological and institutional perspectives. He explains how seemingly pristine environments can gradually degrade, and describes the difficult social context-a debilitating combination of poverty, corruption, abuses of power, political instability, and a frenzied scramble for quick riches-in which tropical conservation must take place. He...
