Extreme Ownership: How U.S. Navy SEALs Lead and Win was written by Jocko Willink and Leif Babin, the book was about the notable leadership concepts they learned and embraced as part of Navy SEAL-s special unit. The two authors talk about their real experiences from the battlefield and write how these experiences can help with leading a business. The book describes combat military operations in a comprehensive way. Besides that, the authors describe their trainings to help show how effective leadership works and what the difference between effective and ineffective leadership is. The book talks about three main aspects, which are organized into twelve chapters. The first part of the book is about creating blocks, which are necessary to help each reader develop a specific mind-set of leading and winning. The second part of the book is about what the authors call the Laws of Combat. These laws are critical points for developing teamwork. Here Is A Preview of What You Will Get: - A summarized version of the book. - You will find the book analyzed to further strengthen your knowledge. - Fun multiple-choice quizzes, along with answers to help you learn about the book.
