Reviews

It is one of the best books. Better than ever, though I am quite late in starting to read this one. You won't feel monotony at any moment of the time (that's what catalogues are for regarding in the event you check with me).

The University of Chicago Press, United States, 2013. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Hollywood God is a virtuosic performance, filled with crossings back and forth from cinematic chiaroscuro to a kind of unsettling desperation and disturbing - even lurid-hallucination. From the Baltimore Catechism to the great noir films of the last century to today s Elvis impersonators and Paris Hilton (an impersonator of a different sort), Robert Polito tracks the snares, abrasions, and hijinks of personal identities in our society of the spectacle, a place where who we say we are, and who we think we are, fade in and out of consciousness, like flickers of light dancing tantalizingly on the silver screen. Mixing lyric and essay, collage and narrative, memoir and invention, Hollywood God is an audacious book, as contemporary as it is historical, as sly and witty as it is devastatingly serious.
