Orion Publishing Co, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. A colourful collection of pieces on the enigmatic genius of Scott Walker from THE WIRE. Scott Walker has travelled from teen idol to the outer limits of music. From The Sun Ain t Gonna Shine Any More reaching No.1, through to recordings of meat being punched on his last album, THE DRIFT, he somehow seems to have reached a passionate and committed fan base. Throughout his career, his impeccable critical reputation as a serious and uncompromising musician has never been questioned. The recent film, 30TH CENTURY MAN, had a litany of stars queuing up to praise Walker: the likes of David Bowie, Damon Albarn, Jarvis Cocker, Radiohead, Johnny Marr and Sting. But despite this, in 40 years of music, there has yet to be a serious book on Scott Walker. This collection, put together by Rob Young of THE WIRE magazine, features a handful of previously published articles and newly commissioned pieces, largely drawn from the orbit of THE WIRE s writers including Ian Penman, Chris Bohn and Rob Young.
