Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Not many years ago the shore bordering the head of Lake Michigan, the northern curve of that silver sea, was a wilderness unexplored. It is a wilderness still, showing even now on the school-maps nothing save an empty waste of colored paper, generally a pale, cold yellow suitable to the climate, all the way from Point St. Ignace to the iron ports on the Little Bay de Noquet, or Badderknock in lake phraseology, a hundred miles of nothing, according to the map-makers, who, knowing nothing of the region, set it down accordingly, withholding even those long-legged letters, Chip-pe-was, Ric-ca-rees, that stretch accommodatingly across so much townless territory farther west. This northern curve is and always has been off the route to anywhere; and mortals, even Indians, prefer as a general rule, when once started, to go somewhere. The earliest Jesuit explorers and the captains of yesterday s schooners had this in common, that they could not, being human, resist a cross-cut; and thus, whether bark canoes of two centuries ago or the high, narrow propellers of to-day, one and all, coming and going, they veer to the southeast or west, and sail gayly out of sight, leaving this northern curve of ours unvisited and alone. A wilderness still, but not unexplored; for that railroad of the future which is to make of British America a garden of roses, and turn the wild trappers of the Hudson s Bay Company into gently smiling congressmen, has it not sent its missionaries thither, to the astonishment and joy of the beasts that dwelt therei.
